

2009 White House Ornament

2009 Ornament
\$20.00
Home/Mail Delivery
\$5.00

Ornaments make great gifts!

All proceeds benefit the
George Mason High School All Night Graduation Celebration

Please help the GMHS PTSA provide a safe and memorable graduation celebration night for our senior class. Your purchase helps us fund the event and brings holiday cheer and tradition to your tree. The 2009 ornament honors Grover Cleveland, the only President to serve two non-consecutive terms. The Cleverlands were the first White House to celebrate Christmas with electric lights on their tree. The ornament reveals a brightly lit tree shining through the window of the library in the South Portico.

The students of the Class of 2010 thank you for your support!
